Dear Mr. Staker:

Thank you for your December 11, 2008 response to Ohio EPA's November 14, 2008 Notice of Violation letter.

Your response included photographic documentation demonstrating that the tote and 55-gallon drums that contain used oil have been appropriately labeled with the words "Used Oil".

My review of this documentation reveals that Leslie Staker's Garage has now abated all violations discovered during the ~~October 22, 2008~~ hazardous waste inspection.
