Mr. Bob Brislin, HES Manager
North Haverhill Coke Company
2446 Gallia Pike
Franklin Furnace, Ohio 45629

Dear Mr. Brislin:

Thank you for your August 31, 2007 response to Ohio EPA's August 8, 2007 Notice of Violation letter. The documentation you submitted included analytical results for two unknown waste streams and for oil which had spilled on the ground. In addition, you included photographs of areas where oily soils were excavated and described how the containment area for oils and other products will be managed so that spills and releases will be avoided.

My review of this documentation reveals that North Haverhill Coke Company has now abated all violations discovered during the August 6, 2007 inspection.

Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman
District Representative
Division of Hazardous Waste Management
