Dear Mr. Kegley,

Thank you for your May 5, 2008 response to Ohio EPA's March 21, 2008 Notice of Violation letter. The documentation you submitted included photographs of areas cleaned of used oil and diesel fuel, receipts for recycling of used oil and used oil filters, landfill receipts for disposal of soils contaminated with used oil and diesel fuel, and photographs of a new concrete pad in the fueling area.

My review of this documentation reveals that McGovney Ready Mix has now abated all violations discovered during the March 12, 2008 complaint investigation.

If you should you have any questions, please feel free to contact me at 740-380-5293.

Sincerely,

Donna Goodman
District Representative
Division of Hazardous Waste Management
