Dear Mr. Haller:

Thank you for your February 22, 2008 response to Ohio EPA's February 5, 2008 Notice of violation letter. The documentation you submitted included a description of the history of the drums and how you determined what the contents were. You also included a description of the contents of the rest of your property.

My review of your description reveals that you have now abated all violations discovered during the January 24, 2008 inspection.

Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman
District Representative
Division of Hazardous Waste Management
