Ironton, Ohio 45638

Dear Ms. Conley:

Thank you for your February 28, 2008 response to Ohio EPA's January 29, 2008 Notice of Violation letter. The documentation you provided included photographs of the area where oil and fuel contaminated soils were excavated.

My review of this documentation reveals that WNA Trucking has now abated all violations discovered during the January 24, 2008 investigation.

**GENERAL COMMENTS**

- (a) Please note that any oil contaminated leaves (such as those surrounding the drums which had leaked oil) should also be disposed of as a solid waste.

Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman  
District Representative  
Division of Hazardous Waste Management

***Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.***
