Dear Mr. Zalesky:

Thank you for your September 21, 2009 and September 23, 2009 responses to Ohio EPA's August 5, 2009 Notice of Violation letter. You submitted documentation including: photographs of the soil removal work, solid waste disposal receipts for 20 tons of soil, and lab data used to characterize the soil before disposal.

My review of this documentation reveals that Rebuild, Inc. has adequately demonstrated abatement of all violations discovered during the July 28, 2009 inspection.

If you should have any questions, please feel free to call me at (740) 380-5248.

Sincerely,

Elizabeth A. Herron
