Dear Mr. Yoder:

Thank you for your response to Ohio EPA's September 6, 2011, Notice of Violation letter. Your response dated September 19, 2011 was received on September 23, 2011. You submitted documentation including: a revised hazardous waste container storage area inspection checklist, and photos of your universal waste lamp storage containers.

My review of this documentation reveals that ProVia Door has adequately demonstrated abatement of all violations discovered during the August 23, 2011 inspection.

If you should have any questions, please feel free to call me at (740) 380-5248.

Sincerely,
