Dear Mr. and Mrs. Burkhart:

Thank you for your August 17, 2011, response to Ohio EPA's July 22, 2011, Notice of Violation letter. You submitted documentation including: waste material profile paperwork from Safety-Kleen to demonstrate that you have made arrangements with Safety-Kleen to dispose of your waste lacquer thinner. In your letter, you also stated that you had found a company to pick up and recycle your waste lamps/bulbs.

My review of this documentation reveals that Lakeview has adequately demonstrated abatement of all violations discovered during the June 23, 2011, inspection.

If you should have any questions, please feel free to call me at (740) 380-5248.

Sincerely,

Elizabeth A. Herron
