Dear Mr. Costello:

I received your response to my February 23, 2007 Notice of Violation letter on April 16, 2007. The documentation that you submitted included analytical results for the container of soil.

My review of this documentation reveals that Greer Steel Company adequately demonstrated abatement of the violations discovered during the January 10, 2007 inspection.

If you have any questions regarding this letter, please call me at (740) 380-5256.

Sincerely,

Melody Stewart
