Dear Mr. Carbaugh:

I received your response to my April 9, 2007 Notice of Violation letter on May 2, 2007. The documentation that you submitted included photo documentation of the labeled hazardous waste and universal waste containers and a copy of the completed emergency equipment inspection log.

My review of this documentation reveals that GE has adequately demonstrated abatement of the violations discovered during the April 4, 2007 inspection.

If you have any questions regarding this letter, please call me at (740) 380-5256.

Sincerely,

Melody Stewart  
District Representative  
Division of Hazardous Waste Management
