Mr. Ronald Sharrett  
Vinton County Engineer  
100 East Main Street  
McArthur, Ohio 45651

Dear Mr. Sharrett:

On May 24, 2007, I performed a compliance inspection at The Vinton County Garage, located at Mill Street and Walnut Street in McArthur, to determine its compliance with Ohio's hazardous waste and solid waste laws and regulations as found in Chapter 3734. of the Ohio Revised Code (ORC) and Chapter 3745. of the Ohio Administrative Code (OAC). This letter will explain the hazardous waste violations I found and what you need to do to correct the violations.

Based on this inspection, the Vinton County Garage is in violation of the following hazardous waste regulations:

- (1) **OAC Rule 3745-279-22(C), Used oil storage requirements for generators:**  
Containers and aboveground tanks used to store used oil at generator facilities shall be labeled or marked clearly with the words, "Used Oil."

Used oil containers located in the service garage area were not labeled or marked with the words, "Used Oil." This violation was corrected during the inspection and, therefore, no actions need to be taken at this time to abate this violation. Please ensure that all future containers used for storage of used oil are correctly labeled with the words "used oil."

**Other Compliance Issues:**

- (a) Spent fluorescent lamps. During the inspection, Mr. Rob Mason and I discussed establishing a location for accumulating spent fluorescent lamps that are generated at the Vinton County Garage. Please find enclosed, a fact sheet regarding spent fluorescent lamps. A list of spent fluorescent lamps recyclers can be found at: <http://www.epa.state.oh.us/dhwm/pdf/comp.lamp.ballast.list.pdf>.

List them in the order they are presented in the regulations (e.g., D001, D003, F007, U112). Use an additional page if more space is needed. If there are more than 7 waste codes and they are the same as listed in the most recent RCRAInfo source record, you do not need to list them all. Instead just indicate the date of the most recent source record.
