Dear Ms. Kispert:

I received Eveready Battery's response to my May 10, 2007 Notice of Violation (NOV) letter on June 18, 2007. The documentation you submitted included photographs of properly labeled used oil drums.

My review of this documentation reveals that Eveready Battery has adequately demonstrated abatement of the following violation discovered during the May 2, 2007 inspection:

(1) OAC 3745-279-22(C)(1), Used Oil Storage Requirements for Generators

Eveready Battery has resolved all violations resulting from the May 2, 2007 inspection.

If you have any questions, please contact me at (740) 380-5288.

Sincerely,

Scott N. Bergreen
