Marietta, Ohio 45750

Dear Mr. Ruble:

Thank you for your June 13, 2011 response received on June 16, 2011 to Ohio EPA's May 17, 2011 Notice of Violation letter. The documentation you submitted included a TCLP analysis of contents of three drums of "latex waste" and an MSDS sheet for the latex product that you use.

My review of this documentation reveals that Asphalt Materials has now abated all violations discovered during the May 2, 2011 inspection.

Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman  
District Representative  
Division of Materials and Waste Management
