Marietta, Ohio 45750

Dear Mr. Elliott:

Thank you for your response to Ohio EPA's August 19, 2010 Notice of Violation letter. I received Marietta Industrial Enterprise's (MIE) email responses to this letter on August 30, 2010. The email documentation that you submitted included analytical results of the silicon sludge indicating that the sludge was not a hazardous waste.

I reviewed this documentation on September 2, 2010 and sent you an email on the same date stating that MIE had abated the following violation which was cited as a result of the June 15, 2010 site visit:

OAC rule 3745-51-11, Waste Evaluation

All violations of hazardous waste rules observed during the aforementioned inspection have now been abated.

Should you have any questions, feel free to contact me at (740) 380-5293.

Sincerely,

Donna Goodman
District Representative
Division of Hazardous Waste Management
