Belpre, Ohio 45714

Dear Mr. Kesterson:

Thank you for your May 18, 2011 response to Ohio EPA's April 22 2011 Notice of Violation letter. The documentation you submitted included photographs of areas where used oil was being managed, and a description of actions taken to cleanup and improve your company's used oil management practices.

My review of this documentation reveals that Rockland Service Center has now abated all violations discovered during the April 14, 2011 inspection.

Should you have any questions, please feel free to call me at (740) 380-5293.

Sincerely,

Donna Goodman
District Representative
Division of Materials and Waste Management
