Subject: Facility has Returned to Compliance

Dear Mr. Kandel:

On April 28, 2011, Ohio EPA received employee training documentation by e-mail from Mark Cunningham. This documentation addresses a violation cited in Ohio EPA's April 22, 2011, Notice of Violation letter.

My review of this training documentation reveals that Solvay Advanced Polymers has adequately demonstrated abatement of all violations discovered during the March 29 and 30, 2011 hazardous waste compliance inspection.

If you should have any questions regarding this letter, please feel free to call me at (740) 380-5248.

Sincerely,

Elizabeth A. Herron
Environmental Specialist
Division of Materials and Waste Management
