Dear Mr. Brown:

Thank you for your November 16, 2011 response to Ohio EPA's November 10, 2011, Notice of Violation letter. You submitted documentation including: contingency plan updates, revision of the work order for inspections of the less than 90 day storage area, and photograph of new signage in your lamp storage area.

My review of this documentation reveals that IMCO Recycling of Ohio has adequately demonstrated abatement of all violations discovered during the November 2, 2011 inspection.

If you should have any questions, please feel free to call me at (740) 380-5248.

Sincerely,

Elizabeth A. Herron
