RE: Return to Compliance  
Field located off Lytle Road, Miami County  
Parcel Number C06-057200

Dear Neal Brothers Inc.:

On June 23, 2011, Cathy Altman and I conducted a follow-up site visit at the above referenced property. The site visit was to determine if the debris at the back of the property noted during the September 23, 2010 inspection was removed from the property and properly disposed.

The ravine was found free of debris and on June 22, 2011 via mail I received receipts documenting the use of Hemmelgarn Services Inc. for the debris removal. Thank you for addressing the earlier violations.

Compliance with the requirements outlined in this letter shall not relieve you of your obligation to comply with other legal obligations, including, but not limited to, Chapters 3704, 3714, 3734, or 6111 of the Ohio Revised Code or under the Federal Clean Water Act, Clean Air Act, Comprehensive Environmental Response, Compensation, and Liability Act, or Resource Conservation and Recovery Act remedying conditions resulting from any release of contaminants to the environment.

If you have any questions, please contact me at (937) 285-6094.

Sincerely,

Jill Olberding, R.S.

Division of Solid and Infectious Waste Management
