RE: HCF of PIQUA, 1840 W. HIGH STREET, PIQUA, OHIO

Dear Mr. Landis:

On November 8, 2010, I conducted a large generator of infectious waste re-inspection at the above mentioned facility. This inspection was conducted in order to determine compliance with Ohio Administrative Code (OAC) 3745-27, specifically rules governing large generators of infectious waste and compliance issues noted in the September 22, 2010, correspondence from the Ohio EPA. The noted violations from the September 16, 2010 inspection were corrected.

If you have any questions please contact me at (937) 285-6094.

Sincerely,

Jill Olberding, R.S.  
Division of Solid and Infectious Waste Management
