RE: Heartland of Piqua, 275 KIENTIE DRIVE, PIQUA, OHIO

Dear Mr. Crow:

June 21, 2007, I conducted follow-up large generator of infectious waste inspections at the above mentioned facility. The inspections were conducted in order to determine compliance with Ohio Administrative Code (OAC) 3745-27, specifically rules governing large generators of infectious waste and compliance issues noted in the May 29, 2007, correspondence from the Ohio EPA. The noted deficiencies from the May 21, 2007 inspection were corrected and the facility was found to be in substantial compliance.

If in the future you have any questions please feel free to contact me at (937) 285-6094.

Sincerely,

Jill Olberding, R.S.
Division of Solid and Infectious Waste Management
