RE: Closed Simpson Paper Landfill, Butler County
Notice of Violation- 4th Qtr Landfill Inspection

Dear Mr. McEntee:

On March 5, 2007, the Ohio Environmental Protection Agency (Ohio EPA), Southwest District Office (SWDO) received the 4th Quarter Post-Closure Care Inspection Report for the Closed Simpson Paper Landfill. Your letter dated February 28, 2007, indicated that the inspection was conducted in December 2006.

The facility's failure to submit the quarterly inspection summary not later than fifteen days after the inspection date detailing the results of the inspection is a violation of OAC Rule 3745-27-14 (A)(4) which states in part,

"Quarterly inspection of a sanitary landfill facility during each year of the post-closure care period and submittal of a written summary to the appropriate Ohio EPA district office not later than fifteen days after the inspection date detailing the results of the inspection and a schedule of any actions to be taken to maintain compliance with paragraphs (A)(1) and (A)(2) of this rule".
