**RE: NOTICE OF VIOLATION**

Dear Ms. Keehn:

On October 14, 2008, I conducted a site visit at the CompuNet facility, located at 62 N. Breiel Ave., Middletown, OH 45042. This inspection was conducted in order to determine compliance with Ohio Administrative Code (OAC) Rule 3745-27-30, 33, 34, 35 and 36.

The following violation was noted during the inspection:

1. The generator registration identification number was not listed on a shipping paper manifest. The generator registration identification number must be added in order to comply with OAC Rule 3745-27-33 (B)(5), which states in part:

**Contain, at a minimum, space for the following information...registration identification number...of the generator...**

**Please mail a copy of the corrected shipping paper manifest to me at the address listed on the heading of this letter, within 14 days of receipt of this letter.**

Thank you for your time and consideration during my inspection. If you have additional questions or comments regarding this letter, or need further assistance, please contact me at (937) 285-6647.

Sincerely,

*Monte Bluebaum R.S.*
