Dear Ms. Fletcher:

On August 13, 2009, I met with Carolyn Fogarty and conducted a site visit at the Diabetes Wellness Center facility, located at 4218 Grand Avenue, Middletown, Ohio 45044. This inspection was conducted in order to determine compliance with Ohio Administrative Code (OAC) Rule 3745-27-30, 33, 34, 35 and 36.

The following violation was noted during the inspection:

1. The treatment shipping paper did not contain the registration identification number where the wastes were generated. The registration identification number must be added in order to comply with OAC Rule 3745-27-30 (B)(5)(a), which states in part:

*...The treatment shipping paper shall: Contain, at a minimum, space for the following information: The name, **registration identification number**...where the wastes were generated...*

Please contact me within fourteen (14) days of receipt of this letter, regarding the progress of returning to compliance.

Please thank Carolyn Fogarty for her time and consideration during the inspection.

If you have additional questions or comments regarding this letter, or need further assistance, please contact me at (937) 285-6647.

Sincerely,

Monte Bluebaum, R.S.
