John C. Easton
Director of Public Services
City of Wadsworth
120 Maple St.
Wadsworth, OH 44281

Dear Mr. Easton:

The Ohio Environmental Protection Agency (Ohio EPA) has not received a 2007 Annual Operational Report for the Wadsworth Solid Waste Transfer Station located at 165 Auble Street, Wadsworth, Medina County. As a result, the City of Wadsworth is in violation of the following:

Ohio Administrative Code (OAC) Rule 3745-27-23(AA), which states, in part, *"The owner or operator shall submit an annual report on forms prescribed by the director to the appropriate Ohio EPA district office and approved health department not later than the first day of April of each year. The annual report shall include, at a minimum, a summary of the following operational information for the preceding calendar year."*

Ohio EPA Northeast District Office has not received the 2007 annual report for Wadsworth Solid Waste Transfer Station. In order to correct this violation, the City of Wadsworth must immediately submit the 2007 annual report to Ohio EPA Northeast District Office and to the Medina County Health Department.

Nothing in this letter shall be construed to authorize any waiver from any requirements of applicable state solid waste laws or regulations. This letter shall not be interpreted to release the owner or operator of the facility or others from responsibility under ORC Chapters 3704., 3714., 3734. or 6111; under the Federal Clean Water Act, the Resource Conservation and Recovery Act, or the Comprehensive Environmental Response, Compensation, and Liability Act; or from other applicable requirements for remedying conditions resulting from any release of contaminants to the environment.

Sincerely,

Jarnal Singh, RS.
