Re: Southwest Ohio Ambulatory Surgery Center RTC, Infectious Waste Return to Compliance (RTC), Butler County, Reg # 57-G-01243.

Dear Mr. Fisher,

On June 22, 2007, I met with Mr. Richard Scott at Southwest Ohio Ambulatory Surgery Center to conduct a "Return to Compliance" (RTC) inspection. The purpose of the inspection was to determine compliance with applicable State of Ohio Infectious Waste regulations, Ohio Administrative Code (OAC) Rules 3745-27-30, 33, 34, 35, 36.

During my visit, it was determined that you are in compliance with the one (1) violation cited in my Notice of Violation (NOV) dated May 7, 2007.

The violation that was cited and has been corrected is:

- 1) Spill Containment / Cleanup procedures. OAC 3745-27-30 (A)(11)(e).

It now appears that you are in compliance with the applicable solid and infectious waste of the State of Ohio.

Please note that failure to list specific deficiencies in this correspondence does not relieve you from complying with all applicable Solid and Infectious waste rules and regulations.

Should you require any technical or regulatory assistance, please feel free to contact me at (937) 285-6648.

Sincerely,

Pat Willoughby
