Re: Jason Jackson Property Complaint, Open Dumping of Solid Waste, Butler
County

Dear Mr. Jackson,

On March 26, 2010, I visited your property located at the intersection of West Alexander and Kalbfleisch Roads, in response to a complaint of open dumping of Solid Waste at the location mentioned above. The purpose of this investigation was to determine compliance with Ohio's Solid Waste Laws, Ohio Revised Code (ORC) 3734 and Ohio Administrative Code (OAC) 3734.

During my complaint investigation, it was discovered that there was open dumping of solid waste on the property potentially creating an un-licensed solid waste facility.

Disposal of solid waste in an unlicensed solid waste facility constitutes open dumping and places you in violation of the following Solid Waste Laws and Regulations. The following violations are being cited as a result of my investigation:

1) ORC Section 3734.01(I): Open Dumping

-This regulation states in part:

"Open dumping" means the depositing of solid wastes into a body of or stream of water or onto the surface of the ground at a site that is not licensed as a solid waste facility under section 3734.05 of the Revised Code.

- a) The open dumping and open burning of solid wastes observed on your property is a violation of Ohio Revised Code (ORC).
