**SUBJECT: COMPLAINT INVESTIGATION - RETURN TO COMPLIANCE LETTER**

Dear Mr. Bressler:

On May 23, 2007, I reinspected the open dump site at the Butler County Ohio, Board of Commissioners property located at 1640 Wayne-Madison Road., Butler County, Ohio.

During the reinspection, I observed that the construction & demolition debris and miscellaneous solid waste found during my initial investigation on November 13, 2006 have been removed and properly disposed of at the Rumpke Sanitary Landfill located in Cincinnati, Ohio.

A letter from Kar Singh, P.E., Design Engineer, Butler County Engineer's Office, dated April 5, 2007 was received in my office on April 6, 2007. This correspondence included disposal receipts from Rumpke Sanitary Landfill.

As of the date of the reinspection, all violations observed during the November 13, 2006 inspection have been corrected.

Thank you for your time and consideration regarding this matter.
