Mr. Greg Saylor

Mount Juliet, Tennessee 37122-6335

Dear Mr. Saylor:

On September 12, 2007, I reinspected the open dump site located on your property (parcel id number, E22 100 02100 0068) along Middletown Germantown Rd.

During the investigation, I observed that the two piles of burned waste that contained partially burned lumber, a door, ceiling tile, miscellaneous solid waste; and the piles of scrap tires had been removed since my inspection on July 11, 2007.

I took pictures, on September 12, 2007, documenting the removal of the waste observed during my initial inspection on July 11, 2007.

Corrective Actions

In order to close out this case, I need receipts documenting the proper disposal of the solid waste and C&DD, removed from the site, at an appropriately licensed facility. Provide the Ohio EPA with a copy of all waste receipts from the disposal of the solid waste and C&DD. Please send the receipts to:

Ohio EPA
401 East 5th Street
Dayton, Ohio 45402
Attn. Monte Bluebaum

Compliance with the requirements outlined in this letter of the solid and infectious waste provisions contained in ORC Chapter 3734, and the rules promulgated there under, does not relieve you of your obligation to comply with other applicable State and Federal laws and regulations.
