Dear Board of Commissioners:

As of December 11, 2008, the Ohio Environmental Protection Agency (Ohio EPA), Division of Solid and Infectious Waste Management (DSIWM), Northwest District Office (NWDO) has not received the October 2008 Authorized Maximum Daily Waste Receipts (AMDWR) report for the Erie County Landfill.

Ohio Administrative Code (OAC) Rule 3745-27-19(B)(2) states, "The owner or operator shall conduct all construction and operation at a sanitary landfill facility in strict compliance with the applicable authorizing document, including permit to install, a plan approval, an operational report, an approved closure plan, an alteration concurred with in writing by Ohio EPA."

Ohio EPA Permit To Install number 03-12661 for the Erie County Landfill, effective July 2, 2002, permit condition (14)(f) states, "...A summary of each month's daily waste receipts shall be submitted to Ohio EPA, NWDO and the Erie County Health Department, if on the Director's approved list, by the fifteenth (15) day of the following month..."

The Erie County Landfill is in violation of OAC Rule 3745-27-19(B)(2) for not submitting the daily waste receipts for the month of October 2008. Please submit the daily waste receipts report within fifteen (15) days.
