RE: CHEMIX CORPORATION  
CUYAHOGA COUNTY  
CESSATION OF REGULATED OPERATIONS  
NOTICE OF VIOLATION

Ken Nowack  
Chemix Corporation  
P.O. Box 206  
Berea, OH 44017

CERTIFIED MAIL

Dear Mr. Nowack:

During a telephone conversation on September 25, 2008, you informed me that the Chemix Property has been sold. I advised that, in order for Chemix to remain in compliance with the Cessation of Regulated Operations rules, you must notify this office of the new contact information for the site. You were also notified of this in Ohio EPA's June 23, 2008 Notice of Violation. To date Ohio EPA has not received the information.

Chemix Corporation is therefore in violation of the following provision of the Ohio Administrative Code (OAC) Rule OAC 3745-352-35(D) which requires you to notify Ohio EPA of the change in contact person within 30-days of the change.

To correct this violation, you must **immediately** notify this office, in writing, of the new contact person, including name, address, and telephone number.

Failure to list specific deficiencies or violations in this communication does not relieve Chemix from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Please feel free to contact me at: (330) 963-1170 if you have any questions.

Sincerely,

Edward J. D'Amato  
Environmental Specialist  
Division of Hazardous Waste Management
