Dear Mr. Hirschfield:

I received your January 27, 2009 letter which responded to my December 23, 2008 letter. These letters dealt with the former Commonwealth Aluminum Concast facility located at 7130 Krick Road, Bedford, Ohio. Your letter and attachments document the correction of the violation cited in my letter and show that Commonwealth Aluminum Concast has completed the cessation of regulated operations requirements for this site.

Ohio EPA will now deactivate the hazardous waste identification number associated with this location which is OHD 131 733 248. Future owners or operators of this location may notify us to reactivate the number, if needed.

If you have any questions, please contact me at (330) 963-1217, or robert.almquist@epa.state.oh.us.

Sincerely,

Robert Almquist
Division of Hazardous Waste Management
