Weston, Ohio 43569

Dear Ms. Trevino:

On April 16, 2008, the Ohio Environmental Protection Agency (Ohio EPA) conducted an inspection at your property. The address for this property is 307 E. Main Street, Belmore. The parcel number for this property is 60-042010. The purpose of this inspection was to determine compliance in accordance with Chapter 3745-27 of the Ohio Administrative Code (OAC). I have enclosed the pictures from our inspection for your reference.

Present for the inspection was Mrs. Laura Gulker representing the Putnam County Health Department and myself representing Ohio EPA. A large pile of solid waste was observed on the southern portion of your property. The solid waste included carpet, furniture, remnants of a wooden structure, a mattress, a toilet, a sink, and other miscellaneous solid waste.

OAC Rule 3745-27-05(C) states, No person shall conduct, permit, or allow open dumping. In the event that open dumping is occurring or has occurred at a property, the person(s) responsible for the open dumping, the owner of the property, or the person(s) who allow or allowed open dumping to occur, shall promptly remove and dispose or otherwise manage the solid waste in accordance with Chapter 3734. of the Revised Code, and shall submit verification that the solid waste has been properly managed.

Ohio Revised Code (ORC) Section 3734.03 states, No person shall dispose of solid waste by open burning or open dumping, except as authorized by the director of environmental protection in rules adopted in accordance with division (V) of section 3734.01, section 3734.02, or sections 3734.70 to 3734.73 of the Revised Code and except for burying or burning the body of a dead animal as authorized by section 941.14 of the Revised Code. No person shall dispose of treated or untreated infectious waste by open burning or open dumping.

Placement of the above referenced items onto or into the ground constitutes open dumping. You, as owner of the property, are in violation of OAC Rule 3745-27-05(C) and ORC Section 3734.03 for open dumping.

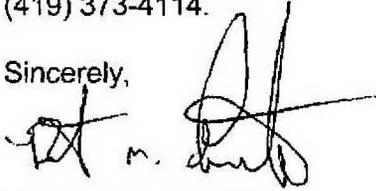

You will continue to be in violation of OAC Rule 3745-27-05(C) and ORC Section 3734.03 for open dumping of solid waste at your property until all waste materials are removed.
