Dear Mr. Reger:

The Sunny Farms Landfill is located in Loudon Township, Seneca County, Ohio. The solid waste ID number is 74-00-02. Seven wells are in assessment monitoring. Sixteen wells are in detection monitoring. Based on the Ohio Environmental Protection Agency's (Ohio EPA's) evaluation, the facility is presently operating under the correct ground water monitoring phases, the well system is adequate for the detection monitoring and the owner/operator should continue to monitor under the current programs. The report is signed by a qualified ground water scientist, but the signature is not notarized.
