Re: Schuck Metal Fabrication & Design
Hazardous Waste Inspection
Mercer County
OHR 000 037 242
Return to Compliance

June 12, 2008

Mr. Dan Schuck, Owner
Schuck Metal Fabrication & Design
8319 U.S. Route 127 North
Celina, Ohio 45822

Dear Mr. Schuck:

On May 14, 2008, I visited your facility to follow up on the compliance evaluation inspection I conducted on March 21, 2007. A Notice of Violation letter was sent to you on April 9, 2007, citing a violation regarding the management of used lamps and stating a concern about your hazardous waste manifest handling.

During this visit, I spoke with Curt Mullins, Plant Manager, who stated that Schuck Metal Fabrication & Design (SMFD) has decided to manage spent lamps as universal waste and thus identified a facility to properly handle it. In addition, I reviewed your hazardous waste manifests. The hazardous waste manifests will be available for review at the office from now on.

With my visit on May 14, 2008, SMFD has corrected the violation and addressed the issue of concern discovered during the March 21, 2007, CEI, and thus is back into full compliance.

Should you have any questions, please feel free to contact me at (419)373-3015.

Sincerely,

Edgar V. Pulido,
Division of Hazardous Waste Management
