Mr. Ken Flower  
Flower Manufacturing, LLC  
423 Knapp Street  
Fremont, Ohio 43420

Dear Mr. Flower:

Thank you for your April 20, 2010, response to Ohio EPA's February 25, 2010, Notice of Violation letter (NOV). Your response stated that you currently do not have any bulbs on-site and have not picked a recycler for your universal wastes, but that you will select a recycler upon your next generation of spent fluorescent bulbs.

My review of this documentation reveals that Flower Manufacturing, LLC, has adequately demonstrated abatement of the violation discovered during the February 8, 2010, inspection as listed below:

Violation	Date Violation Observed	Date Violation Abated
1. OAC Rule 3745-52-11 Waste Evaluation	February 8, 2010	April 20, 2010

No response to this letter is necessary. If you should have any questions, please feel free to call me at (419) 373-3082.

Sincerely,

Amber M. Hicks  
Division of Hazardous Waste Management
