Re: FSI Disposal
Hazardous Waste
Sandusky County
Return to Compliance

January 8, 2009

Mr. Randy Miller, Operations Manager
FSI Disposal
330 Elm Street
Clyde, Ohio 43410

Dear Mr. Miller:

Thank you for your responses to Ohio EPA's December 24, 2008, Notice of Violation letter (NOV). On December 30, 2008, I received via email:

- Photographs documenting that your used oil drain drums and pans have been properly labeled.

On January 2, 2009, I received via mail:

- Your universal waste management plan for managing your lamps.

My review of this documentation reveals that FSI Disposal has adequately demonstrated abatement of the violations discovered during the December 3, 2008, inspection as listed below:

Violation	Date Violation Observed	Date Violation Abated
1. OAC Rule 3745-52-11 Waste Evaluation.	December 3, 2008	January 2, 2009
2. OAC Rule 3745-279-22 (C) (Used oil storage requirements - proper labels).	December 3, 2008	December 30, 2008

No response to this letter is necessary. If you should have any questions, please feel free to call me at (419) 373-3082.

Sincerely,

Amber M. Hicks
Division of Hazardous Waste Management
