Mr. Robert H. Wolke, Environmental, Health, Safety Coordinator  
Federal-Mogul Corporation  
150 Fisher Avenue  
Van Wert, Ohio 45891

Dear Mr. Wolke:

Thank you for your April 16, 2010, response (received in this office on April 20, 2010) to Ohio EPA's March 29, 2010, Notice of Violation letter (NOV). Your response included an outline of topics covered during your annual hazardous waste training conducted on April 13, 2010, a sign-in sheet for employees that attended (including all as outlined in the NOV) and a statement indicating how you will insure to meet this requirement in the future.

My review of this documentation reveals that Federal-Mogul Corporation has adequately demonstrated abatement of the violation discovered during the March 10, 2010, inspection as listed below:

Violation	Date Violation Observed	Date Violation Abated
1. OAC Rule 3745-65-16 (C) Personnel Training.	March 10, 2010	April 20, 2010

No response to this letter is necessary. If you should have any questions, please feel free to call me at (419) 373-3082.

Sincerely,

Amber M. Hicks  
Division of Hazardous Waste Management
