Dear Mr. Arnold:

Thank you for your June 12, 2007, response to Ohio EPA's April 26, 2007, Notice of Violation letter. The documentation you submitted included a statement and a copy of a typical material safety data sheet representative of the type of paints you use in your operation. You stated that you are planning to dispose of used paint booth filters as hazardous waste.

My review of this documentation reveals that Life Star Rescue, Inc. (LSRI) has now abated all violations discovered during the April 3, 2007, inspection as listed below.

Letter Citation #	Rule Citation
1	OAC Rule 3745-52-11, Waste Evaluation
2	OAC Rule 3745-273-14(E): Universal Waste - Labeling of Lamp Storage Container
3	OAC Rule 3745-273-13(D)(1): Universal Waste - Storage Containers

Please note, according to the photograph you submitted, you labeled your waste lamp container with the words "Used Fluorescent Bulbs". As I stated during my inspection, according to the universal waste rules, the containers must be labeled with the words, "Used Lamp(s)", "Waste Lamp(s)", or "Universal Waste Lamp(s)". Please erase the word "Fluorescent" off the label.

Should you have any questions, please feel free to contact me at (419) 373-3015.

Sincerely,

Edgar V. Pulido
