Mr. Scott Walker, Operations Manager  
Williams County Landfill, Inc.  
12604 County Road G  
Bryan, Ohio 43506

Dear Mr. Walker:

Thank you for submitting the requested information received by Ohio EPA on September 9, 2010. You submitted this information in response to my August 18, 2010, Notice of Violation/Partial Return to Compliance Letter. In your response letter, you included photographs showing the proper labeling of the used oil storage containers, cleanup of the used oil contaminated area, and documentation regarding the proper waste evaluation and eventual disposal of the generated waste.

My review of this documentation reveals that Williams County Sanitary Landfill has now abated all the violations discovered during the August 11, 2010, inspection as listed below:

Letter Citation #	Rule Citation	Date Discovered	RTC Date
1	OAC Rule 3745-279-22 (C)(1): Used Oil – Labeling	08/11/2010	08/12/2010
2	OAC Rule 3745-279-22: Used Oil – Response to releases	08/11/2010	09/09/2010

Should you have any questions or if I can be of assistance, please contact me at (419) 373-3015.

Sincerely,

Edgar V. Pulido
