Mr. Shem Schoendorf, Head Mechanic
Davidson Trucking Inc.
1227 Bowling Green Road East
P. O. Box 162
Bradner, Ohio 43406

Dear Mr. Schoendorf:

Thank you for your October 28, 2008, and December 10, 2008, response to Ohio EPA's November 3, 2008, Notice of Violation letter. You submitted paperwork showing you labeled your used oil containers and that your fluorescent bulbs will be managed as universal waste and taken to Environmental Recycling.

This documentation demonstrates that Davidson Trucking has adequately abated all violations discovered during Ohio EPA's October 22, 2008, inspection:

1. **Waste Evaluation, OAC Rule 3745-52-11**
2. **Used Oil Storage Requirements, OAC 3745-279-22 (C) (1)**

If you should have any questions, please feel free to call me at (419) 373-3058.

Sincerely,

Amy Heller
Division of Hazardous Waste Management
