Dear Ms. Rodriguez:

Thank you for your May 18, 2009, May 26, 2009, and October 30, 2009, responses from Dean Kuska and Duane Montgomery in your corporate office on your behalf to Ohio EPA's March 19, 2009, Notice of Violation letter (NOV). The responses included waste evaluation information and waste management and handling information and procedures related to the waste streams generated at your facility.

My review of this documentation reveals that Vitran Express has adequately demonstrated abatement of the violations discovered during the February 26, 2009, inspection as listed below:

Violation	Date Violation Observed	Date Violation Abated
1. OAC Rule 3745-52-11 Waste Evaluation.	February 26, 2009	A.) May 18, 2009 B.) May 18, 2009
2. OAC Rule 3745-279-22 (C) (Used oil storage requirements - proper labels).	February 26, 2009	May 18, 2009

In addition, all Areas of Concern were satisfied with your responses submitted on May 18, 2009 and October 30, 2009.

No response to this letter is necessary. If you should have any questions, please feel free to call me at (419) 373-3082.
