Dear Mr. Russell:

Thank you for submitting the requested information on July 2, 2009. You submitted this information in response to my June 2, 2009, NOV. The documentation you submitted included photographic evidence of universal waste lamp container and a statement of the intent to manage your spent bulbs as universal waste from now on. You also included information regarding the labeling of used oil storage containers.

My review of this documentation reveals that Thiel's Wheels, Inc. has now abated all violations discovered during the May 22, 2009, inspection as listed below:

Should you have any questions or if I can be of assistance, please contact me at (419)373-3015.

Sincerely,
