Peebles, Ohio 45660

Dear Mr. McCann:

Thank you for your October 3, 2008 response to Ohio EPA's September 10, 2008 Notice of Violation letter.

Your letter indicated you have disposed of the 55-gallon drums observed on site during the inspection as scrap metal. You also submitted photographic documentation demonstrating that your used oil tanks have been appropriately labeled with the words "Used Oil", and that the oil-stained soil at the back corner of the garage has been cleaned up.

My review of this documentation reveals that BJ's Garage has now abated all violations discovered during the September 3, 2008 hazardous waste inspection.

If you should have any questions regarding this letter, please feel free to call me at (740) 380-5237.

Sincerely,

Vicky D. German
