Mr. Ron Drozdowski
Chemtron Corporation
35850 Schneider Ct.
Avon, OH 44011

Dear Mr. Drozdowski:

Thank you for your December 4, 2007 response to Ohio EPA's November 20, 2008 Notice of Violation (NOV). Your letter was received by this office on December 9, 2008.

The documentation you submitted included the following:

1. An attendance sheet and outline for training given to laboratory and other personnel on November 26, 2008. The training was focused on regulatory requirements and applicable Chemtron procedures that will prevent this violation from occurring in the future.

Ohio EPA has reviewed the documentation you submitted and has determined that it is sufficient to address the outstanding violations in the NOV:

1. **Dating of Hazardous Waste Container Labels**
OAC 3745-52-34 (A)(2)
2. **Storage of Waste**
Permit Condition C.1

No response to this letter is required.

Failure to list specific deficiencies or violations in this communication does not relieve Chemtron from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Please contact me at (330) 963-1170 if you have any questions.

Sincerely,

Edward J. D'Amato
