December 4, 2008

Mr. John Sapola
BP Oil Pipeline Company
22782 State Route 12
Fostoria, Ohio 44830

Dear Mr. Sapola:

On November 18, 2008, Ohio EPA received your response to Ohio EPA's Notice of Violation (NOV) letter, dated October 16, 2008. In your response, BP provided additional documentation related to your annual refresher training requirements outlined in OAC Rule 3745-65-16(C).

After review of the additional documentation BP provided in this response, Ohio EPA has determined that BP fulfilled their annual refresher training requirements and, therefore, no violation occurred. The following violation has been retracted in regards to annual training:

1. Personnel Training, OAC Rule 3745-65-16(C)

BP has adequately addressed all violations observed during the October 2, 2008, inspection.

You can find copies of the rules and other information on the division's web page at <http://www.epa.state.oh.us/dhwm>. Should you have any questions, please feel free to call me at (419) 373-3058.

Sincerely,
