Mr. Scott A. Snoke  
Forest Truck & Auto Parts, LLC  
500 South Madriver Street  
Forest, Ohio 45843

Dear Mr. Snoke:

Thank you for your September 23, 2011, response to Ohio EPA's August 4, 2011, Notice of Violation letter (NOV). You submitted an email with a picture showing that your used oil tank is now labeled "Used Oil". In addition, we spoke via telephone on the same day and you stated that you are managing your bulbs as universal waste which includes proper recycling.

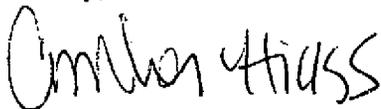

My review of this documentation reveals that Forest Truck & Auto Parts, LLC has adequately demonstrated abatement of the violations discovered during the July 29, 2011, inspection as listed below:

Violation	Date Violation Observed	Date Violation Abated
1. OAC Rule 3745-52-11 Waste Evaluation.	July 29, 2011	September 23, 2011
2. OAC Rule 3745-279-22 (C)(1) Used oil storage requirements - proper labels.	July 29, 2011	September 23, 2011
