Dear Mr. Cassidy:

On March 11, 2009, we received your response letter dated March 10, 2009, to our February 11, 2009 notice of violation. Inspection reports, manifests, spill response report forms, job descriptions and a training matrix were submitted with your letter.

At this time, no further information is needed to address the unpermitted treatment/storage/transportation/disposal [ORC 3734.02 (E) & (F)] violation. The information submitted in March appears to address the remaining violations from our inspection on June 6 and 8, 2007.

If you have any questions, feel free to call me at (330) 963-1226.

Sincerely

Sheryl K. Slone, P.E.
Environmental Engineer
