Maumee, Ohio 43537

Dear Mr. Kreh:

Thank you for the information you have submitted to show that Anatrace has corrected the violations cited during Ohio EPA's September 20, 2011, inspection. Anatrace submitted job description information on October 20, 2011, in response to Ohio EPA's Notice of Violation letter dated October 7, 2011.

You will find a summary of the violations and your compliance with respect to each below:

1. **Personnel Training, OAC Rule 3745-65-16(C)**: Anatrace is required to provide annual refresher training to employees within a 12 month period from the previous training.
Anatrace exceeded the twelve month time frame for training for at least three employees in 2010.

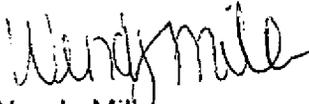

Anatrace did properly conduct training within the twelve month period for 2011. This violation was previously abated in my October 7, 2011, letter.

2. **Job Descriptions, OAC Rule 3745-65-16(D)(3)**: In regards to job descriptions, Anatrace must add a specific line in regards to the employee receiving annual refresher training to the chemists job descriptions.
Anatrace submitted updated job descriptions on October 20, 2011, for all employees handling or managing hazardous waste. Therefore, this violation is considered abated.
