Dear Mr. Warren:

On July 8, 2010, I sent a second notice of violation letter to you concerning our April 12, 2010 inspection of the Oakwood facility. On July 13, 14 and 19, 2010, I received additional information from you concerning personnel training. Our review of the information submitted reveals that it appears all of the required training has been completed by each of the involved employees. We now consider your Oakwood facility to be in compliance with Variance Condition 2.q., Employee Training.

If you have any questions related to this letter, feel free to e-mail me or call me at (330) 963-1226.

Sincerely

Sheryl K. Slone, P.E.
