Dear Mr. Marsteller:

On November 19, 2009, the Ohio Environmental Protection Agency (Ohio EPA) received disposal documentation for the Crab Creek Industrial Village facility located at 229 E. Dennick, Youngstown, Ohio. The facility submitted information demonstrating the proper disposal of fluorescent lamps. The facility previously submitted information documenting the proper disposal of waste containers at the facility.

Based upon review of the submitted documentation, the facility has abated all violations discovered during Ohio EPA's August 9, 2006 inspection:

1. Waste Evaluation, OAC rule 3745-52-11: Containers
2. Waste Evaluation, OAC rule 3745-52-11: Lamps

Should you have any questions, please feel free to call me at (330) 963-1278. You can find copies of the rules and other information on the DHWM's web page at: <http://www.epa.state.oh.us/dhwm>.

Sincerely,
